MECHATRONICS CONTEST 2017

PARENT/GUARDIAN - CONSENT TO PARTICIPATE

Scarborough Chapter of Professional Engineers Ontario (PEOSC) has organized the ***Mechatronics Contest 2017*** to promote public awareness of the engineering profession in the local community. A parent or legal guardian who wants his/her child to participate in this contest must complete and sign this form. The completed form with the registration fee must be received by the Scarborough Chapter when the parts are collected about 2 weeks before the contest. Please see the Rules on the contest.

The PEOSC and its representatives will take all reasonable steps to provide an environment in which everyone's safety is of prime importance. PEOSC volunteers have arranged the contest, but PEOSC cannot take direct care and control of your child. We encourage you to ensure safe working environments when the students fabricate the cars, and be present at the contest so that you will also share and enjoy your child's successes and achievements.

Personal information collected will be used to conduct this contest and recognize participants and winners. Names and photographs and articles written on this event will be posted on PEOSC's Internet web site and be used to promote this and future events e.g. solicit individuals and companies for financial sponsorship and/or prizes. Parent/Guardian's permission is requested for any photographs, videos or other recordings made before, during or after this event of the child to be used as described above.

Chair - Scarborough Chapter – PEO

September 18 , 2017

Parent/Guardian's Consent Form

I am aware that PEO SC and its volunteers cannot assume responsibility for any injury, loss, damage or harm to any child or to his/her property during the course of any activity, which is part of the above program, including travelling to and from the contest site as well as the design, fabrication and testing of the Contest item in the school or home. I understand and acknowledge that certain risks of injury, loss, damage or harm are inherent to participation in any program or activity of this nature and I agree to indemnify and save harmless Professional Engineers Ontario, Scarborough Chapter (PEOSC), Professional Engineers, Ontario (PEO), prize sponsors, officers, employees, agents and the volunteers from and against any injury, loss, damage or harm that may befall my child(ren) as a result of their participation in this contest.

Permission is hereby given for any photographs, videos or other recordings made before, during or after this event of my child may be posted on PEO SC's Internet web site and be used to promote this and future events e.g. solicit individuals and companies for financial sponsorship and/or prizes. I also understand that in case a registered student/team abstains from taking part in the contest, then the parts and components supplied by PEO SC may be returned to PEO SC for a refund less administration fees as per the rules of the contest which I have read and understood.

I hereby grant permission for my child to participate fully in this Mechatronics Contest 2017. I declare having read and understood the above and hereby consent to my child participating on the basis described.

Name of child/participant: _____

Signature of child's parent, guardian or responsible adult: _____
