2018 Aspiring Engineer Scholarship

Professional Engineers Ontario is pleased to announce the availability of two scholarships (for one male and one female student), each worth \$750, to promote engineering within the Scarborough community.

Eligible applicants will be initially evaluated based on:

- Academic performance
- Extracurricular activities
- Leadership activities, and
- A short written essay to outline their interest in the engineering profession.

Eight applicants will be selected through this process and possibly invited for interview by a panel of engineers.

The application form and details of this scholarship can be found on PEO Scarborough Chapter website:

www.scarborough.peo.on.ca

PEO Scarborough Chapter would like to invite applicants who are currently in Grade 12 in a **Scarborough High School**, and will be entering a Canadian Engineering Accreditation Board (CEAB) approved Ontario University Engineering program in September 2018.

The final two award winners will be selected from the application. Consolation Scholarships will also be awarded by the PEO Scarborough Chapter from the selected students.

The scholarships will be awarded at a special ceremony.

Please email your application form before **July 31, 2018** to:

scarborough@peo.on.ca
